

BHARATBENZ

**PROFIT**  
TECHNOLOGY

LEAD THE CHANGE

WITH **4228R (10x2)**

**Bharat 6**

## Your BharatBenz comes with a pool of best in class features

### Safety

- **Rear Camera:**  
State-of-the-art technology that aids in safer and faster reversing.
- **Driver State Monitoring System(Auxiliary):**  
Identifies and alerts drivers from falling asleep or being distracted at the wheel.
- **Seatbelt Reminder:**  
Ensures superior safety to the occupants.
- **Diffuser Tailpipe:**  
Helps in exhaust temperature management and reduction of dust throw.
- **Daytime Running Lamp:**  
Ensures vehicle visibility during daytime as well.

### Comfort

- **Heating, Ventilation & AC (HVAC):**  
High throw air conditioning and climate control for all extreme weathers.
- **Air Suspended Seat (Auxiliary):**  
Ensures maximum driving comfort even on in rugged terrains.
- **Music System:**  
For entertainment and information on the go.
- **Power Windows:**  
Windows that can be raised or lowered just with the press of a button.
- **Central Locking:**  
Locks the whole cabin with just a flick of the driver-side lock handle.
- **Static Steering:**  
Enables easier maneuverability during tight turns.

#### INTERWHEEL DIFFERENTIAL LOCK

Avoids the wheel spinning on slushy roads, enabling faster trip turnaround time.

#### ANTI-ROLL BAR (FRONT-STD; REAR AXLE 1)

The anti-roll bar increases vehicle stability on application with high centre of gravity. This improves driving confidence and safety especially during cornering at high speeds.

#### 3 PIECE BUMPER

In the event of collision, only the damaged part has to be replaced. Thus reducing the maintenance cost.

#### ENGINE

Designed for higher efficiency, longer life and maximum power with optimal fuel consumption to enable you to maximize your revenues.

#### ELECTRONIC BRAKE FLAP

Electronically controlled system that accurately controls the exhaust brake flap to ensure efficient thermal management within the engine thereby improving fuel efficiency

#### TURBOCHARGER

High boost turbocharger ensures the perfect blend of air and fuel mixture, thus reducing fuel consumption.

#### OPTIMAL REAR AXLE RATIOS

Carefully chosen rear axle ratios for a best-in-class fuel efficiency and gradeability.

#### LONGER SERVICE INTERVALS

Ensures minimised number of visits to the dealership thus reducing cost of maintenance.

#### FUEL THEFT PROTECTION MESH

A meshed grill is placed at the mouth of the fuel tank to prevent any fuel theft between trips.

#### G131 WITH OPTIMAL GEAR RATIOS

Optimal gear ratios to improve gradeability and also fuel efficiency by ensuring higher operating time in top gears.

#### POWER REDUCTION (PR) COMPRESSOR

The new optimized compressor operates based on the engine duty cycle to ensure better fuel efficiency.

#### LONG LASTING CABIN PAINT

With 800 hours of UV testing done for better cabin paint reliability.

#### THICKER AND DURABLE FRAME

With 8mm thick frame. With high strength steel (E500) for ensuring to periods durability and reliability.

#### ADVANCED AERODYNAMIC CABIN

Offers the lowest air drag.

#### GEAR SHIFT ADVISORY

Provides up/down indication of the gear shift to ensure optimal operation of the vehicle.

#### ENGINE BRAKE

When the engine brake is on, the constant throttle valve and the butterfly valve work in tandem to save fuel, reduce brake wear and make driving in downhill operations safer.

### SOFT CRUISE

Improved cruise control that not only ensures better driver comfort but also provides improved fuel efficiency through intelligent gradient monitoring.

### TILT AND TELESCOPIC STEERING

The tilt/telescopic feature allows the driver to adjust the steering wheel to suit their driving posture.

### ENGINE OVERRUN BUZZER

The inbuilt buzzer system detects engine overspeeding resulting from sudden downshifting of gears (lower than the recommended shift) and provides an acoustic alarm to alert the driver. This helps prevent engine damage.

## Designed to Deliver.

The major applications suitable for BharatBenz 4228R include the below mentioned:

**Cement**

**Parcel & Logistics**

**Market Load**

**Agri goods**

**Non - POL Tankers**

**Industrial Goods**

# Technical Specifications

4228R

## Vehicle Dimensions

Wheelbase (mm)	6575
Cabin	Sleeper
Loading Span (ft)/ Loadbody cpc (Cu.m)	28ft
Overall Length (mm)	10992
Overall Width (mm)	2490
Overall Height (mm) (CBC)	2939
Front Overhang (mm)	1485
Rear Overhang (mm)	2257
Ground Clearance (mm)	222

## Engine

Engine Model	OM 926
Maximum Power, KW	210 Kw @ 2200 rpm
Maximum Torque, Nm	1100 Nm @ 1200 - 1600 rpm
No. of Cylinders, CC	6, 7200
Emission Std	Bharat Stage VI

## Transmission

Gear Box Model & Type	G 131, 9F+1R, Mechanical, Synchromesh Gears
Clutch Type	Single Dry Plate, Hydraulic Control
Clutch Dia (mm)	395, 4 mm

## Axle

Front Axle	IF 7.0
Rear Axle	RA 1:IR440-11 & RA2: IT- 10
RAR	4.3

## Chassis Frame & Suspension

Frame Section (D X W X T) (mm)	286 x 70 x 8
Front Suspension	Parabolic Type Leaf Spring with 2 Hydraulic Shock Absorbers
Rear Suspension	Balancer Type Semi-Elliptical Leaf Spring
Anti-Roll Bar	Standard on Front Axle and RA1

## Brakes

Service Brake	Pneumatic, Foot Operated, Dual Line with ABS
Parking Brake	Pneumatically Operated Hand Control Valve
Front Axle Brake	Ø 410 drum
Rear Axle Brake	Ø 410 drum

## Steering

Steering Type	Hydraulic Power Assisted
---------------	--------------------------

## Fuel Tank & Electricals

Fuel Tank / Filling Capacity	330L/310L
Adblue Tank	60L/51L
Battery Capacity	120Ah
Voltage	24V

## Performance

Maximum Gradeability %	29%
Maximum Geared Speed kmph	80kmph
TCD	24m

## Tyres (Size, Pattern)

Pattern and Size	Radial Tyres (Rib & Lug Pattern - 11R20 or 295/90R20) Tubeless-tyres (All Wheel Pattern - 295/80R22.5)
------------------	---

## Weight

Gross Vehicle Weight - GVW	42000 kgs (Tubeless & 295/90R20)/ 41880 Kgs (11R20)
----------------------------	--

## Globally Proven SCR Technology

## Your truck at your fingertips

With Truckconnect, an interactive portal that uses real-time vehicle data, you can monitor and analyse your fleet and processes. The core objective of Truckconnect is to increase uptime, provide 24/7 support service, monitor real-time fleet performance and ensure the drivers' safety.

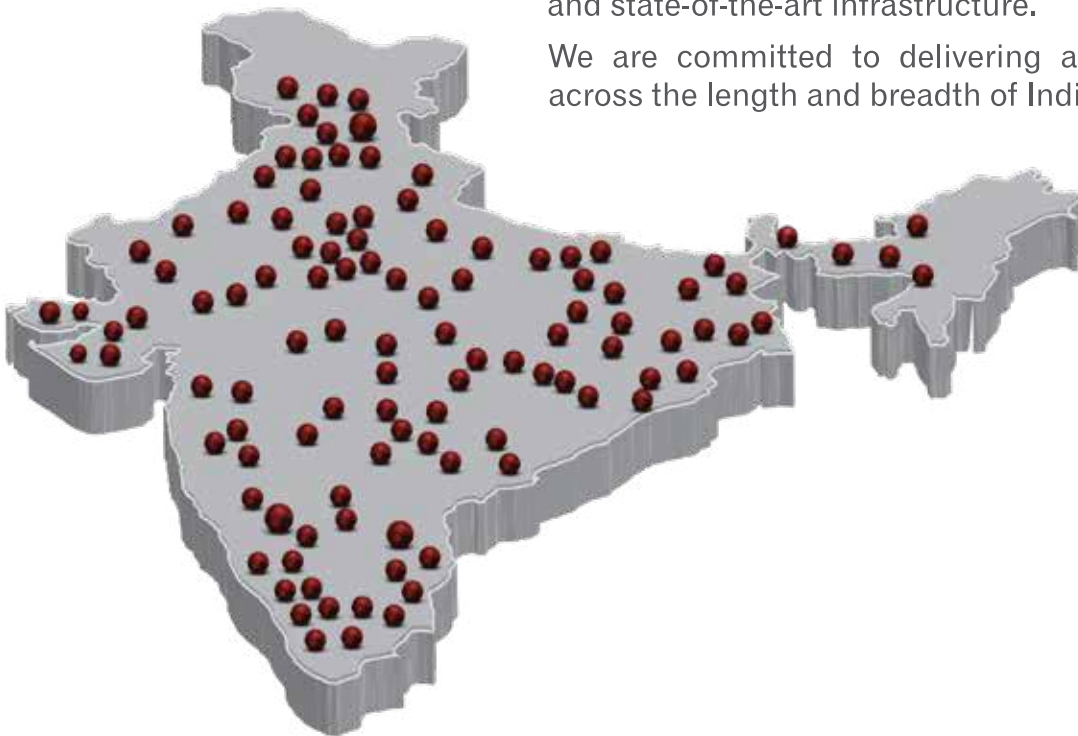

## The all-round services package for your truck

## Within reach. No matter where you are.

We believe that the customer's convenience is paramount. Area sales offices in 14 leading cities and a network covering 236 locations mean that you can quickly purchase a BharatBenz truck, whenever and wherever the need arises. We are already setting benchmarks in the Indian trucking industry with well-trained sales staff, highly qualified service personnel, customized services and products and state-of-the-art infrastructure.

We are committed to delivering a superlative experience across the length and breadth of India.
